

AC/DC ADAPTOR

POWER SUPPLY CHARGER

ORIGINAL CHARGER

High performance AC/DC adaptor designed for reliable and safe power supply.

WIDE INPUT RANGE

Supports input voltage range of 90-265V AC, suitable for various power conditions.

STABLE OUTPUT

Delivers consistent 15V DC output at 4 Amp for smooth and efficient operation.

SAFETY PROTECTION

Built-in protection against overload, short circuit, and voltage fluctuations.

DURABLE & RELIABLE

High quality components ensure long life, durability and reliable performance.

UNIVERSAL COMPATIBILITY

Ideal for a wide range of electronic devices and industrial applications.

PRODUCT SPECIFICATIONS

Brand	KTPL
Product Name	AC/DC Adaptor Power Supply Charger
Input	90-265V AC, 50/60 Hz
Output	15V DC --- 4 Amp
Watt	60W
Connector Type	DC Barrel Connector
Plug Type	3 Pin Power Plug
Safety Features	Overload, Short Circuit & Voltage Protection
Country of Origin	India

PACKAGE INCLUDES

1 PIECE
AC/DC ADAPTOR

1 PIECE
POWER CABLE

1 PIECE
DC CONNECTOR

1 SET (2 PIECES)
